FROM THE PARKING LOT TO THE ROOFTOP

STEPHENS COMMERCIAL PAINTING HAS YOUR SENIOR LIVING FACILITY COVERED

Roof Coatings

If you have a flat or low-slope roof, a roof coating could be a cost effective, efficient, and long-term solution. Stephens Commercial has the expertise & high-quality, engineered roof coatings to help keep your senior living facility dry, all while resident life is uninterrupted inside.

Parking Lot Striping

Exterior painting projects are a great time to also tackle parking lot re-striping. From the front entry area to resident parking, our experienced crews will work around your residents' schedules.

Floor Coatings

Floor coatings are an economical and safe solution for high traffic areas throughout your community. Stephens Commercial can coat any floor surface from the lobby to the dining hall - make it safer with a non-slip coating.

Exterior

Stephens Commercial Painting has completed over 10,000 exterior paint projects - that's confidence that we're going to get your job right! From the visitor entrance to the rooftop and everything in between, count on Stephens Commercial Painting.

Maintenance Painting

With a proven track record of delivering top-notch services, we cater to the specific needs of senior living facilities. High traffic areas such as dining halls, workout facilities, and other spaces can be difficult to maintain. Let us develop a customized maintenance painting plan for your facilities that saves time & money.

Interior Walls & Trim

The walls in your retirement community make a big statement about your facilities. Whether you need a simple coat of white or custom colors to match your brand standards, our crews are experienced and precise. Dining halls, community centers, hallways, libraries, gyms - we paint it all!
